

Around
and
around
we go!

Up, over,
in and out

Half down,
across,
RIGHT down

Start at the
top
and swoosh
like me

Now we build
the snow man.
We're going
round and
round

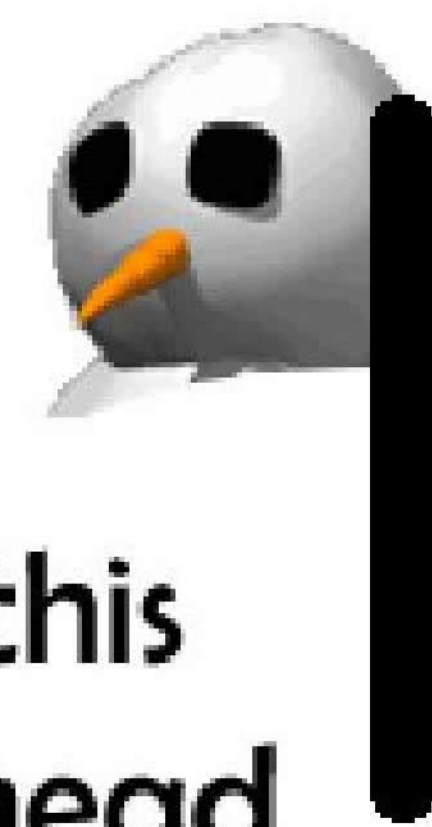

DOWN!
down, it's
1 you know!

'Half a
snowman!
I hear
you
shout..

Half way
down
Give it
a tummy
(like a clown)

Across
from the left
and finish
it, you see?

Give this
one a head
and
stick it
in the ground.

"Don't forget to finish it off"
